Caterers

This is a list of caterers we have used in the past and have been very successful with.

We do not require that you use one these caterers, but we do require that the caterer you hire must be completely self sufficient, meaning they must have a mobile kitchen, employ their own wait staff, be responsible for all or any linens (tablecloths/napkins), silverware, wine glasses, water glasses, water pitchers, plates, salt & pepper shakers, ice for chilling wine and/ or other non alcoholic beverages, etc.
